

"For I am convinced that neither death nor life, neither angels nor demons, neither the present nor the future, nor any powers, neither height nor depth, nor anything else in all creation, will be able to separate us from the love of God that is in Christ Jesus our Lord."

Romans 8:38-39

*Dr. Steve James and Nancy, a nurse, American Baptist International Ministries missionaries, have arrived in Haiti and are working with our partners treating survivors and assessing current needs.*

## Haiti Earthquake Relief and Recovery: Your Help is Needed!

The devastation took just moments; the recovery will take years. Your help is urgently needed to enable survivors of this tragedy to fend off hunger and disease and to rebuild their lives.

Through One Great Hour of Sharing, American Baptists began responding immediately. Nearly \$40,000 has been sent so far for relief efforts underway in Port-au-Prince and the surrounding area. Church World Service is already providing desperately-needed hygiene kits, tarps and blankets in the affected areas. The Haitian Baptist Convention has mobilized pastors to minister to their Haitian brothers and sisters even as they themselves learn how their own families and communities have been affected by the earthquake.

But this is just the beginning. After the immediate needs for food, water, medicines, and emergency shelter are met, it will take months and even years to rebuild homes, communities, schools and medical facilities for the more than 3 million affected people. Rehabilitation of lives and livelihoods will be critical.

Financial gifts are what is most needed now. Please give generously to these relief efforts. Every dollar will go 100% to disaster relief and recovery. Mark your contribution "One Great Hour of Sharing — Haiti Relief" and give through your local church, or [http://www.internationalministries.org/topics/haiti\\_earthquake](http://www.internationalministries.org/topics/haiti_earthquake)

Pray for consolation and hope in the Lord for the Haitian people.

There will be work teams to assist in the recovery and rebuilding phases. Check for updates at [www.internationalministries.org](http://www.internationalministries.org).

**Thank you!**
