

SHORT-TERM MISSION TRIP TO LIBERIA

May 25 – June 2, 2023 | Estimated cost: \$2,600 + airfare REGISTER BY MAR 24, 2023

Maximum number of participants: 12

International Ministries (IM) invites you to join Area Director Rev. Dr. Charles Jones, and Short-Term Mission Director Rev. Sandra Dorsainvil, on a Discovery trip to Liberia, West Africa! We will be hosted by our five partner bodies in Liberia – the Liberia Baptist Missionary and Educational Convention, the Liberia Direct Baptist Missionary Conference, the Liberia Tribal Baptist Convention, the Lott Carey Baptist Mission School, and Link Aid International.

MINISTRY AND WORK EXPERIENCES

- Worship and fellowship at partner churches, including the historic Providence Baptist Church – “Mother Church of the Nation.”
- Visit educational institutions, including Antioch Baptist School; Ricks Institute, a distinguished K-12 Day and Boarding school; and Lott Carey Baptist Mission School, named in honor of one of the first African American missionaries to Africa, who was jointly commissioned by his mission agency and the predecessor to International Ministries.
- Visit post-secondary institutions: the Liberia Baptist Theological Seminary to interact with students, faculty, and administration on the state of theological education in Liberia and across Africa; visit the newly created William R. Tolbert Baptist University.
- Visit development projects designed to improve lives and further support of ministry: the conference center (under construction) and motorcycle project (a young entrepreneur initiative).
- Visit students in our Student Education Assistance program – students who lost their primary support in the death of parents or guardians during the Ebola pandemic (December 2013 – June 2016).

CULTURAL EXPERIENCES

- Look for cultural similarities (and hear the stories), due to the historical connection between Liberia and the United States of America.
- Enjoy the variety of flavorful Liberian cuisine (as available): jollof rice, palm butter, cassava leaf, potato greens, fufu, okra sauce, rice bread, fried fish gravy and cassava, plantain, kala (add some pepper, if you dare!), fruits in season, and much more.
- Visit historic/cultural sites: Providence Island, Providence Baptist Church (historic building) Mamba Point, Centennial Pavilion, National Museum, Ducor Hotel, Waterside, Capitol Hill – Executive Mansion, Temple of Justice, Capitol Building.
